### Notice of Extension of Public Comment Period for Draft Environmental Impact

### Statement: Rosemont Copper Project

**AGENCY:** USDA Forest Service

**ACTION:** Notice of extension

**SUMMARY:** The USDA Forest Service, Coronado National Forest, is extending the public comment period for a draft environmental impact statement (DEIS) that discloses the potential impacts of a proposed action to construct; operate with concurrent reclamation; and close an open-pit mine about 30 miles southeast of Tucson, Arizona (Rosemont Copper Project). The U.S. Environmental Protection Agency (EPA) published a notice of availability (NOA) of the DEIS in the Federal Register on October 21, 2011 [76 FR 65509]. The NOA provided for a public comment period ending on January 18, 2012.

**DATES:** Because of a short-term, temporary malfunction of an electronic mailbox for receiving public comments on the DEIS, several individuals and organizations have requested an extension of the comment period. The Forest Service has decided to

Those parties who submit comments on or before this date will be eligible to appeal a decision on the project in accordance with 36 CFR 215.
